## Alexander Campbell Hall – General Information

- The four ADA and five family rooms have the sink/mirror in the bedroom area.
- Each of the four Dorm Wing Group Shower Rooms (two per floor, one at each end of hallway) have: 3 shower stalls (1 ADA compliant), 3 toilet stalls (1 ADA compliant), and 3 sink/mirrors (1 ADA compliant). This totals 6 showers, 6 toilets, and 6 sinks for the 24 guests on each floor. No urinals are present so that gender designation of each Shower Room can be made to meet the gender distribution of each Group's/Camp's guests.
- There are ADA-compliant public restrooms on the 1st floor.
- The public restrooms in the 1st floor lobby separate from the Dorm Wing communal shower/restrooms for security reasons. Groups can choose to lock the doors to the bedroom wings during the day, so that outside guests do not get access to bedrooms and bathrooms in the guest areas.
- The public "Mens" Room has 2 sinks, 2 urinals, and an ADA wheelchair accessible toilet stall.
- The public "Ladies" Room has 2 sinks, 2 regular-size toilet stalls, and an ADA wheelchair accessible toilet stall.
- The 1st floor meeting room holds 80 persons and **is** wheelchair accessible.
- The 2nd floor meeting room **is not** Wheelchair accessible because it has three steps from the lobby to its entrance.
  - *(We highly recommend using the 1st floor meeting room **or** 1st floor lobby **or** 2nd floor Lobby **or** 2nd floor Quiet Discussion Area for a breakout room if one of your guests/campers uses a wheelchair/walker/crutches.)*
- The 2nd floor Lobby seats five and **is** wheelchair accessible from the elevator.
- The 2nd floor Quiet Discussion Area can seat 10 and **is** wheelchair accessible from the elevator. It has sofas, loveseats, and a 4-person game-table and chairs for bridge and puzzles.
- There are **no** public restrooms on the 2nd floor. Bathrooms are available to guests staying in rooms on that floor.
- There is a screened porch at the front of each guest wing, which can be entered from the outside and ADA or Dorm Wing hallway.
- There are outside showers at the far end of each wing for rinsing off before entering the building.
